

Dear Parent/Carer,

Families will no doubt be aware of the First Minister's statement yesterday regarding current restrictions. This statement noted that schools across Scotland will continue to use remote learning until at least the middle of February. Further details of the statement can be found at the link below:

<https://www.gov.scot/news/review-of-restrictions/>

I am appreciative of the efforts being made by all involved in this endeavour, and am particularly encouraged by the response of our young people in responding with positivity and enthusiasm. As we move forward we will keep pupils and families updated as to arrangements as they develop, with particular focus on SQA arrangements, as they evolve nationally.

In the meantime, please do not hesitate to contact the school should you wish to discuss any aspect of your young person's education. Contact email addresses are noted below:
