Security Group

Welcome

KNOW OUR BUSINESS

Thank you for your enquiry for Security Services. I would like to take this opportunity to introduce you to Guardsman's Security Group.

At Guardsman, we are committed to offering our clients a range of high-quality security guarding services to BS

10800:2020 standard and designed to protect people and premises to ensure that businesses run as smoothly and successfully as possible.

Our security personnel are all fully SIA licenced with the Security Industry Authority (SIA), and subject to extensive background checks to BS 7858 in the screening of individuals working in a secure environment and assure that the highest standards of professionalism and security are always offered. As part of our services, all our officers are supplied with Body Cameras and FREE Guard patrol systems are installed on your premises.

The Guardsman Management team draw upon more than 20 years of experience in

the armed forces and security service sector and are fully compliant with ISO 9001- 2015, and we also pride ourselves on our CHAS health and safety accreditation. As part of our continued commitment to employee welfare we are also Living Wage Foundation accredited and a member of The Mental health Charter and committed to The Armed Forces Covenant supporting ex-service personnel.

Our professionally trained security personnel combine a commitment to safety with excellent customer service, and we operate a 24-hour control room for any incidents that may arrive.

We invest in and value our security officers and understand well trained, experienced, presentable, and professional security guards are at the heart of any effective, well-rounded, security solution provider.

About Us

Professional Process & Solutions

GUARDSMAN Security Group is a leading provider of security services throughout the UK. Established in 2011 and managed by former ex-military personnel. The business was established to fill a gap in the market for a company that could provide a range of tailored, flexible and integrated security services to organisations in the Midlands area.

Today, it is a national provider of security services working with a broad range of clients from blue chip companies to small businesses across the UK.

The company attributes its success to being founded on a culture of excellence that is shared by all staff and employees. It invests heavily in training of all personnel to ensure it upholds the best possible standards.

The quality of the service delivered is demonstrated by a highly impressive long-term client retention rate.

Mission Statement

Our mission at Guardsman is to continually provide services of the highest quality to our customers to ensure that their clients, their premises and the general public stay safe and secure. With a wealth of knowledge and experience spanning two decades and through offering a range of security services, we provide bespoke solutions to ensure complete customer satisfaction.

Our team are the core part of our business therefore we

are committed to ensuring that our employees are trained to the highest of industry standards. We promote equal opportunities and believe that internal employee development is the key to our success.

We strive to continue to provide complete peace of mind for our growing base of clients across the UK by offering security services that cater to individual customer needs and are provisioned by the most qualified people in the business.
