Advent 2020

My Dear Sisters and Brothers in Christ,

We have been living through a year that none of us have experienced with this Virus. Hoping that you have been keeping safe and well throughout.

As this year had gone on, I have become more and more aware how each and everyone of you & myself will have had different circumstances to cope with.

So these are a few questions I would like you to think about and maybe take action if needed.

Are you lonely, or in need of a chat?

Do you need any help/assistance with shopping etc or maybe supporting someone who is close to you?

Do you know of anyone else in the parish who may need to have a chat or need help in anyway?

Would you like to help others in the parish if they need help or assistance?

I would like to set up a contact network in the Parish of Seaford to bring people together, particularly during this time but hopefully to continue on in the coming months and the years ahead. As the Body of Christ and we should be known for our Love for one another.

We also have a Prayer Line in our parish that you can contact if you or anyone you know needs prayer for illness. Hanora 490721

Please let Mary in the office know if you can help or want help/chat/support using the contact details above.

This would be a wonderful way of showing our commitment to our Christian community, and for putting our Faith into practice. I look forward to hearing from you. With my prayers for and everyone of you, during this season of Advent and Christmas time.

Your brother in Christ,

Ian
