

WELSH SCHOOL OF ANAESTHESIA

PROVIDING EDUCATION, TRAINING AND CAREER DEVELOPMENT

Stage 1 Professionalism 'Sim' Day

(Designed for CT1-3, ST3 trainees)

Friday 14th January 2022

Grange University Hospital, Education Centre

A novel & interactive day; highlighting some of the clinical scenarios faced by anaesthetists in training and focussing on the RCoA 2021 Curriculum requirements for Domain 1 of the Generic Professional Capabilities (Professional Behaviours and Communication).

This will enable all Stage 1 trainees to evidence this domain in their portfolios, and is designed for CT1, CT2, CT3s (& ST3s to evidence their Stage 1 Equivalence)

FREE for Welsh School CT1-3, ST3s

Refreshments and lunch are provided.

Feedback from the last course:

"Very important to be exposed to such simulation to know how to deal with real life events"

"Excellent day, fun and interactive"

"Although not a traditional sim day, it was educational, fun, informative and VERY clinically relevant"

100% delegates would recommend the day to future core trainees
