

BE SMART when using a Computer

- **Safe:** Keep safe by not giving out personal information – such as name, email, phone number, address, or school name – to people who you don't trust online.
- **Meeting:** Never agree to meet anyone you have only met online unless your parent or carer is with you.
- **Accepting:** Do not accept emails or instant messages, or open files, images or texts from people you don't know. They can contain viruses or nasty messages.
- **Reliable:** Not all the information found on the Internet is reliable and people you meet online won't always be telling the truth.
- **Tell:** Tell a member of staff or your parents if someone or something you encounter online makes you feel uncomfortable.
