

Impact

Product Guidance

Image	Product name	Areas	Usage
	Impact Multi Purpose	All	Suitable for use on most surfaces including desks, tables, chairs, sinks, mirrors, glass, windows, skirting boards, doors, sills, ledges, handrails, stainless steel surfaces etc.
	Impact Pine Disinfectant	Toilets, kitchens and mess rooms	Use to disinfect the outsides of toilets and urinals. Can also be used for disinfecting tables, kitchen work tops, desks and door handles etc. Impact Disinfectant will disinfect any surface that has the potential to cross contaminate.
	Impact Lemon Gel	Hard floors	Suitable for cleaning hard floors in corridors, mess rooms, tiled floors or vinyl floors.
	Impact Pine Gel	Hard floors	Suitable for cleaning hard floors in corridors, mess rooms, tiled floors or vinyl floors. Rotate every other month with Lemon Gel to keep a fresh fragrance within your working environment.
	Impact Citrus Cleaner	Platforms / Concourse	Suitable for cleaning hard floors with floor scrubber driers such as platforms or concourses. Also suitable to use neat within a trigger spray bottle for spot cleaning.
	Impact Heavy Duty Cleaner	Platforms / Concourse	Suitable for cleaning hard floors with floor scrubber driers such as platforms or concourses. Also suitable to use neat within a trigger spray bottle for spot cleaning.
	Impact Deodouriser Fluid	Washrooms	Will help to deodourise bad odours from toilets, urinals or bodily fluids. Only use 1 x cap full per application.
	Impact Toilet Cleaner	Washrooms	Use daily to clean the inside of toilets and urinals.
	Impact Acidic Toilet Cleaner	Washrooms	Use once per day for the inside of toilets and urinals (ideally when the toilets will not be flushed for several hours). This will help to remove any stains that may be visible.
	Impact Odour Eater	Washrooms	Use daily on washroom floors to help kill bad odours. When using this product, please do not use any other cleaning product on the floor as this will kill the live enzymes within the product.
	Impact De-Foamer	Inside waste tanks of floor scrubber driers	Use 1 x cap full inside floor scrubber driers to stop build up of foam that could cause possible machine damage.
	Impact Saniclean	Toilets, kitchens and mess rooms	Use to clean and sanitise toilets and urinals. Can also be used for sanitising tables, kitchen work tops, desks and door handles etc. Impact Saniclean will sanitise any surface that has the potential to cross contaminate.
