

PROGUTTER

The Professional Solution To Gutter Clearance

ProGutter systems have been designed to make cleaning gutters above conservatories, porches and hard to access areas easy. Our unique gutter cleaning equipment has been designed to miss the gutter securing clips when in use.

- Clean many metres of gutter in both directions from the same ladder or floor position
- No need to move your ladder
- Just extend the pole and pull
- Gutter scrapers can be fitted for right or left handed application
- PROGUTTER scrapers are a universal fit to each style of guttering
- Available in 4 attachments, Half Round, Mini Flo, Square, Ogee
- Also available, 3m Extension Pole, Angle Adaptor and Gift Set containing all 4 attachments or Gift Set containing all 6 attachments.
