Course Introduction

Exploring the Mysteries of the Tree of Life through distance learning is the starting place if you are new to Kabbalah or want to review your existing knowledge.

As a student you work through very accessible lesson material that presents the Tree of Life in a practical way with reading, reflection, visualizations, meditation and so on. Connecting Kabbalah into your own life experience, it becomes of meaningful value to your personal and spiritual development.

Undertaking the course work, combined with a personal project of your own choosing, you are asked to keep a journal and send material to Will at regular intervals for appraisal and comment.

On completion of of this course, a certificate is awarded to those who are able to demonstrate they have thoroughly grounded Kabbalah into their lives. How long this takes depends upon your personal progress and rate of work, but the 12 lessons in total average a period of one to two years to complete.

Exploring the Mysteries of the Tree of Life is a complete introduction to the Kabbalah which enables you to apply your Kabbalistic understanding in both your every day life and in your spiritual journey.
