

In the Event of a Fire

- A member of staff will raise the alarm and call the emergency services.
- The children will immediately be escorted out of the building to the assembly point using the nearest marked exit.
- No attempt will be made to collect personal belongings, or to re-enter the building after evacuation.
- The premises will be checked by the Fire Safety Officer and the register will be collected, providing that it is safe to do so.
- The Fire Safety Officer will close all doors and windows to prevent the spread of fire when they leave the building if it is safe to do so.
- The register will be checked and all children and staff accounted for.
- If anyone is missing from the register, the emergency services will be informed.
- If the register is not available the manager will use the emergency contacts list (which is kept off the premises) to contact parents or carers.
- If the Fire Safety Officer is not present at the time of the incident, the manager will assume responsibility or nominate an alternative member of staff.
