

PRODUCT: DUMMY END

TYPE: Dummy End & Plate

HIGHLIGHTS:

BRAND: NECO

Easy To Install

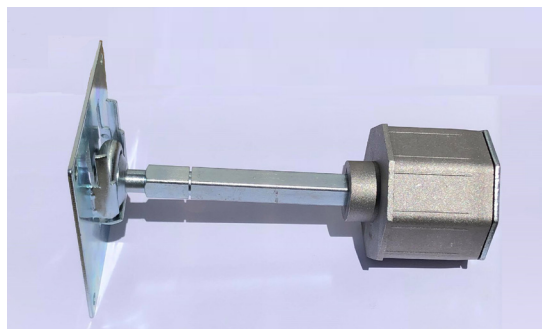

Material: Steel

Available as 60mm and 70mm

PRODUCT DESCRIPTION:

The NECO Dummy End & Plate is ideal for use on residential garage doors. The plate's clip prevents the dummy end shaft from separating from the bearing, ensuring safe operation.

Both 60mm and 70mm Dummy Ends are available.

DIMENSIONS:

Dummy End Length: 180mm

Plate Length: 100mm

Plate Width : 100mm

Plate Thickness: 3mm
