Background

Summary

I co-founded Pharma Consulting Group in 2003. We are serving the Nordic area as full-service CRO, but serving the world with the ground-breaking, smart and feature-rich Viedoc system.

Contact me to see how we can help your organisation be more efficient with Viedoc.

Specialties: Business Development, clinical development and business strategy

Experience

Owner and Business Developer

Pharma Consulting Group
March 2003 – Present (12 years 10 months)

A Contract Research Organisation working the Nordic countries. We have developed a groundbreaking web-based CRF used in more than 350 trials globally and expanding rapidly. We are constantly seeking professionals looking for an exciting career.

Pharma Consulting Group

James Piper

Director at Avanza Pharma Ltd

“ Sverre is a highly capable and enthusiastic business person who it has been my pleasure to work with on five successful studies. As my counterpart, we negotiate the contractual and financial elements. I have found Sverre to be very knowledgeable of all matters relating to data management and statistics and has a high level of integrity with a commitment to support his... **more**
