[HOME](#)[LATEST NEWS](#)[MENU](#)

Fabric is hosting next year's [London Music Conference](#) (LMC20).

The event lasts from January 30 to February 1, with fabric's Room One holding the main conference and exhibition on the first two days.

Fabric will contain various exhibitors, including a networking zone, tech demos and a music education space.

Throughout LMC20, there will be a range of gigs, club nights and the for artists, fans and labels to network and discover new music. This year also sees the launch of the Accelerator Program, providing a platform to help nurture the careers of artists and labels alike, as well as the LMC Award competition.

Early bird tickets can be purchased on the [London Music Conference's](#) website.
