

Hot new theme and line-up out for elrow's closing party

Mixing things up at Amnesia on 28 September.

[Jo Dargie \(https://www.ibiza-spotlight.com/authors/793\)](https://www.ibiza-spotlight.com/authors/793) on 6 Sep, 2019

Since the start of summer, **Saturday 28 September** has been marked in our diaries. It's the final fling this season for [elrow \(https://www.ibiza-spotlight.com/night/promoters/elrow-amnesia\)](https://www.ibiza-spotlight.com/night/promoters/elrow-amnesia) at [Amnesia \(https://www.ibiza-spotlight.com/night/clubs/amnesia_i.htm\)](https://www.ibiza-spotlight.com/night/clubs/amnesia_i.htm) - always an unmissable event.

Like it does every summer, elrow has conjured up a brand new party theme to mark the ceremonious occasion. **Kaos Garden** is a concept dreamt by wacky artist **Okuda San Miguel** and Spanish techno hero Paco Osuna.

Set to bring an **art deco flair** to the Amnesia dancefloor, now all we need is a killer line-up... of course, the Barcelona-based crazy gang has delivered on that front as well.

One of the minds behind the new theme, **Paco Osuna** will be headlining shenanigans on the night. Dispensing with tradition, the Amnesia regular will play an extended **five hour set on the terrace** while elrow City in the **club room** will feature multiple acts.

You can find **Eats Everything** heading up antics next door. The larger than life Bristolian will be spinning his groovy and quick-tempo beats into the mix. There, he'll be joined by elrow residents **Bastian Bux** and **Marc Maya**.

Another familiar face at elrow, **Toni Varga** will warm-up the terrace for Paco.

Nevermind the **mesmerising production, circus performers** and **band of colourful elrow characters**, the line-up alone has us sold. Amnesia's Saturday night entertainers bow out of 2019's Ibiza season on a high once more.

Fancy joining the madness? Then head below for more information and to secure your ticket.
