

First Aid Kit - PSV

Public Service Vehicles(Conditions of Fitness, Equipment, Use and Certification) Regulations 1981.

The Public Service Vehicle Regulations have been amended many times over the years but the list of items that a PSV must carry has not changed since 1981.

The list is:

- ten Antiseptic Wipes foil packed
- one conforming disposable bandage 7.5cm wide
- two triangular bandages
- one packet of assorted 24 assorted adhesive plasters
- three large unmedicated ambulance dressings
- two sterile eye pads with attachments
- twelve assorted safety pins
- one pair of rustless blunt ended scissors
