Notice of excavator delivery & works at Regent's Park Estate

June 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Work is ongoing to prepare for the demolition of the buildings at the north side of Regent's Park Estate adjacent to Granby Terrace Bridge.

Temporary parking bays suspensions on Varndell Street and Harrington Street

From 24 to 26 June we need to deliver an excavator to support the demolition of Ainsdale. The excavator will be delivered to the site via Robert Street, Stanhope Street, Varndell Street and Harrington Street.

We need to temporarily suspend five parking bays on Varndell Street and twenty-four parking bays on Harrington Street to carry out this activity safely.

We are planning for the delivery to take place on 24 June, with a contingency in place for 25 and 26 June. The parking bays will be returned to use as soon as the delivery has taken place.

Periodic parking bay suspensions will also take place during July and August for crane deliveries to the construction site.

Utility works

Work is also continuing the utility diversion works in the area. The junction of Varndell Street and Hampstead Road will be closed for three days from the 21-23 June. The footpath will remain open.
