

Notice of Thames Water Works

September 2018 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

HS2 Ltd and Thames Water are moving the 42" water main from Park Village East in preparation for the construction of the railway. The water main will be diverted through the Regents Park / London Zoo car park, Albany Street, Redhill Street and Cumberland Market.

Your Thames Water update

We are progressing well with our work in the area and will be starting work at new locations such as Robert Street as well as continuing to be onsite at our existing work areas.

Where we are working

In September, we are moving on to phase two of our work in **Cumberland Market** which will include weekend works. We will keep noise and disruption to a minimum and there may be times where we do not need to work. **Augustus Street** will be partially re-opened.

We have moved further north on **Albany Street** to work outside the Barracks. Due to the location of our work we are required to work weekends. **Redhill Street** is now open at both ends.

We will be starting on our first phase of work at **Robert Street** to lay new water pipes. This will take place on the section of road between **Stanhope Street** and **Hampstead Road** from early September. There will be a road closure and diversion in place.

The northern end of **Park Village East** has been closed to carry out some trial holes. We have several phases of work to carry out in this area and our work will be completed early 2020.

How you are affected

The road closure and parking restrictions will continue at **Cumberland Market**. Please see on-street signage for parking suspensions and diversions. Footpath access will always be maintained to and from properties.

There will continue to be temporary traffic lights in place on **Albany Street** to maintain two-way traffic. A road closure is in place at the northern end of **Park Village East**. The diversion route is via **Albany Street** and is clearly signposted.

Duration of work

- **Albany Street** between the Barracks and **Gloucester Gate** due to complete in early 2019
- **Park Village East** will fully reopen early 2020

Hours of working

- Our core working hours are 8am to 6pm, Monday to Friday and 8am to 1pm on Saturdays
- **Cumberland Market** and **Albany Street** weekend working hours are; Saturday 8am – 6pm and Sunday 9am – 5pm

What to expect

- Road & footpath closure on **Cumberland Market** by the Medical Centre
- Road closure on **Robert Street** between **Stanhope Street** and **Hampstead Road**
- Road closure of the northern end of **Park Village East**
- Bus stop on **Albany Street**, near the junction with Redhill Street remains suspended
- Rolling, single lane closure on Albany Street

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing complaints@hs2-cc.org.uk.
