

Investigation works on Prince Albert Road

October 2018 | www.hs2.org.uk

What are we doing?

From the 15 to 25 October we will be carrying out trial holes on Prince Albert Road to determine the location of utilities. Work will take place in both footpaths close to the zebra crossing adjacent to the London Zoo car park. During this period the zebra crossing will be taken out of use and a traffic light crossing will be in place for pedestrians.

Alternating single lane closures with two way traffic lights will be in place to maintain traffic flow.

The works location is shown on the image below.

The initial breaking of the road surface will be the noisiest activity, although this will be intermittent. We will erect screening acoustic panels to reduce noise, working as quickly as possible and keep work areas tidy.

There will be no disruption to utility services because of these works. We recognise the disturbance this work can create and apologise in advance.
