

New London Euston station taxi rank opens on 6 January 2019

The taxi rank at Euston station will be relocated to just outside of the station at Euston Square Gardens while construction of HS2 Euston is underway.

This new location will open up the area for all and will offer more space and easier level access to the new rank from the station concourse.

Euston taxi rank moving outside to Euston Square Gardens from 6 January

To keep taxi drivers and passengers moving the new taxi rank will have:

- 6 pick-up spaces
- 8 drop off spaces
- 2 drop off and pick up spaces for people requiring mobility assistance
- 147 covered cycle spaces and an additional 36 uncovered spaces

Mobility Assistance

Marshals will be in place to help direct passengers to the new rank when it first opens and additional staff will be on hand to assist passengers who need mobility assistance, providing a helping hand either in person or a wheelchair service between the new rank and the Mobility Assistance Reception. From there our usual service will be provided in the station.
