Notice of lane closure on Harvil Road 24 Oct - 15 Nov

October 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. As part of the railway's construction we are continuing preparatory works within Hillingdon.

National Grid Pylon Diversion

We wrote you in September about National Grid's work to modify an overhead power line in the Colne Valley area. The project involves work to move and raise the height of a line of electricity pylons which the railway will pass under once constructed. These works will be ongoing until Spring 2021 and is being carried out by National Grid's contractor Babcock. To find out more on these works please see HS2inHillingdon.co.uk

Lane Closure on Harvil Road

From 24 October 2019 for up to four weeks there will be temporary traffic lights on Harvil Road. Their location is just south of Lower Lodge where the existing overhead line crosses Harvil Road. Please see the map overleaf for location. This is to create improved vehicle access from the road into one of the new pylon sites.

A set of two-way temporary traffic lights will operate between the **24 October and 15 November 2019** from the hours of 9.30am and 3.30pm (weekdays only). We'll do our best to keep disruption to a minimum and will re-open the road as soon as the work is complete.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Lane closure between 24 October and 15 November 9.30am and 3.30pm (weekdays only)

Our contractors may also be on site for one hour's start-up and shutdown.

What to expect

There may be longer journey times when the lane closure is on. A diversion will be in place during the road closure.

What we will do

Your safety and the safety of those on site will be ensured.

Any changes will be updated on hs2inhillington.co.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property
