Notification

Notice of lane closure on Harvil Road to install fencing

August 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. As part of the railway's construction we are continuing preparatory works within Hillingdon.

Lane closure on Harvil Road

We will be closing the southbound lane of Harvil Road to safely erect new fencing. The southbound lane (see map overleaf for exact location) will be closed every night between 9pm and 6am. The first closure will start at 9pm on Friday 16 August. The last closure will end at 6am on Saturday 31 August. A set of temporary traffic lights will be in place allowing traffic to flow in both directions during the lane closure. **Each day between 6am and 9pm both lanes of the road will be open as usual.**

We recognise lane closures affect both the traveling public and the local community and are therefore taking all possible steps to minimise disruption and inconvenience. We have planned this lane closure during night time hours when traffic is lighter. The lane closure on Harvil Road takes place during the second phase of the works at Breakspear Road South, when that road is open to traffic 24/7 around a lane closure.

Fencing installation

During the lane closure we will install temporary fencing along our site on Harvil Road. We will remove a section of the existing fencing on the southern side of the bridge over the Chiltern lines railway and replace it with a metal fence.

Due to the limited space available to our team to carry out this work safely, it is essential that we undertake this work using a lane closure. This will provide a safe area for our staff to work in.

In case of any changes to these dates, updates will be available on www.HS2inHillingdon.co.uk and you can also sign up for news alerts.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

16 August to 31 August
2019

Working hours are
Monday to Sunday 9pm –
6am

Our contractors may also
be on site for one hour's
start-up and shutdown.

What to expect

A single lane closure on
the southbound lane on
Harvil Road overnight.

Traffic will flow in both
directions controlled by
traffic lights.

What we will do

The safety of road users
and our staff will be our
priority.

Ensure the traffic
management is lifted at
6am, every day.

Any changes will be
updated on
hs2inhillington.co.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between London and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

About our Commonplace websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our Commonplace sites currently serve Birmingham, Bucks and Oxfordshire, Cheshire, Euston and Camden, Hertfordshire, Hillingdon, Northamptonshire, Old Oak, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

To find your local Commonplace website, visit:
<https://hs2.commonplace.is/>

For further information about Phase 2a and Phase 2b, visit :
<https://www.gov.uk/government/organisations/high-speed-two-limited>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain

High Speed Two (HS2) Limited, registered in England and Wales. Registered office: Two Snowhill, Snow Hill Queensway, Birmingham B4 6GA. Company registration number: 06791686. VAT registration number: 181 4312 30.
