

# Notice of Environmental Works

October 2018 | [www.hs2.org.uk](http://www.hs2.org.uk)

Initial works on Phase One of HS2, from London to the West Midlands, have now started. In your area they are being delivered by LM - a joint venture between Laing O'Rourke and J. Murphy & Sons.

## Kingsbury Road, Curdworth

From late October 2018, for a period of 6 to 7 months, we will start creating a new wildlife habitat on land off Kingsbury Road, located in Curdworth Village. This will include the creation of grassland, a pond, translocation of Great Crested Newts and the planting of new woodland. These works will form part of a 'green corridor' of habitats, woodlands and community spaces alongside the railway.

## Where will access to the site be?

Vehicle access to the site will be to the north of the site via Marston Lane. The majority of vehicles will be vans with trailers and we will only use larger vehicles for the delivery of machinery, equipment and materials required for creating the new wildlife habitat.
