

Notice of pipeline diversion works in Chattlehill

June 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Cadent will be moving underground gas pipelines in the Coleshill area until 2020, to allow for the construction of the new railway. We'll make sure people are aware as the work progresses.

What are we doing?

We are starting main works on one of these pipelines at the beginning of July 2019.

Most of our work to move the pipeline will take place within the existing main works compound, off Watton Lane. We will need to work on land to the south of the main site while we move this pipeline (see map on next page).

Work to move the pipeline will include

- Securing our temporary extended working area with fencing
- Digging a trench for the new pipeline route
- Welding the pipe together then installing it in the trench

Our workers will always access the working area from inside our main works compound. Standard construction vehicles and equipment will be used, and all work will take place inside usual working hours.

There will be 24-hour security on site so we can maintain a safe working environment. Please note, there will be no on-site lodging.

How will this affect you?

While there may be some low-level noise, we do not anticipate this work will cause any disruption to local people. The temporary extended working area that we are using will be returned to its original condition when the work is complete.

There will not be any disruption to your utilities during our works.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of work

- Early July 2019 until approximately April 2020
- Our working hours will be 8.00am to 6.00pm (Mon-Fri) and 8.00am to 1.00pm (Sat)
- We will be on-site one hour either side of these times for set-up and close-down

What to expect

- Additional working area to the south of our main works site
- All access from inside our main works compound
- The site will be secured with construction fencing to maintain a safe working environment
- 24-hour security on site

What we will do

- Make sure all construction vehicles use agreed routes
- Keep all sites safe and secure
- Inform people in advance of any changes

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between London and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

About our Commonplace websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our Commonplace sites currently serve Birmingham, Bucks and Oxfordshire, Cheshire, Euston and Camden, Hertfordshire, Hillingdon, Northamptonshire, Old Oak, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

To find your local Commonplace website, visit:
<https://hs2.commonplace.is/>

For further information about Phase 2a and Phase 2b, visit :
<https://www.gov.uk/government/organisations/high-speed-two-limited>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:

complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
