

Notice of utility works starting for pipeline diversion near Middleton

May 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Cadent needs to move an existing gas pipeline near Church Lane, north east of Middleton, to facilitate HS2's construction and to continue to ensure a safe and reliable gas supply.

What are we doing?

We have finished the preparation works and vegetation clearance north east of Middleton. We will be starting site set-up and work to move the pipeline at the end of May 2019 and expect all the work to be completed by April 2020. The work includes:

- Setting up a temporary works compound north east of Middleton. We'll also set up a new site access from the A4091
- Digging a trench for the new pipeline route
- Welding the pipe together then installing it in the trench
- Connecting and testing the new pipe

There will be 24-hour security on site so we can maintain a safe working environment. Please note, there will be no on-site lodging.

How will this affect you?

Our site access will be directly off the A4091. Setting up a new access here means none of our construction vehicles will need to travel along Church Lane or through Middleton to get to our site.

The new site access has been discussed with Warwickshire County Council and HS2.

We will be using the existing layby off the A4091 so our vehicles can enter and exit the site safely. This means the layby will be closed to other users, but we will put signs in place to make everyone aware of this.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of work

- Late May 2019 to April 2020
- Our core working hours will be 8.00am to 6.00pm (Mon-Fri) and 8.00am to 1.00pm (Sat)
- We will be on-site one hour either side of these times for set-up and close-down

What to expect

- Access off the A4091, so construction traffic will not travel along Church Lane or through Middleton
- The layby off the A4091 will be closed to the public
- We will be using standard construction equipment and vehicles. This will be during normal HS2 working hours.
- 24-hour security on site
- Utility supplies in the area will not be affected by these works

What we will do

- Inform you as our work progresses
- Make sure there is minimal disruption to local people
- Maintain a safe working environment

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between London and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

About our Commonplace websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our Commonplace sites currently serve Birmingham, Bucks and Oxfordshire, Cheshire, Euston and Camden, Hertfordshire, Hillingdon, Northamptonshire, Old Oak, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

To find your local Commonplace website, visit:
<https://hs2.commonplace.is/>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
