Notice of Ground Investigation surveys in A46, near Dalehouse Lane, Kenilworth

April 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Cadent will need to move underground gas pipelines to allow for the construction of the new railway. To allow us to plan the movement of these pipelines and have a full understanding of local ground conditions, we will need to carry out surveys in the area. These surveys will take place over two weekends, including night working, in late April and early May.

What are we doing?

Cadent will carry out a diversion to an existing pipeline that runs north between the A46 and Dalehouse Lane. The pipeline supplies the local area and we need to carry out the work to ensure a safe and reliable gas supply continues during HS2's construction and ongoing operation.

Our surveys will take place in the A46 and include the drilling of boreholes and digging small pits, so we can take samples of the ground to analyse.

How will this impact you?

To carry out these surveys, we need to close the A46, except for a single, one-way lane open to traffic. The schedule is:

- 9pm on 26 April to 6am 29 April inclusive (a single, northbound only lane will be open during this period)
- 9pm on 3 May to 6am on 6 May inclusive (a single, southbound only lane will be open during this period)

Our works schedule is subject to change depending on site and weather conditions, however we'll keep you informed of any adjustments.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of works

Weekend and night working will take place over two weekends:

- From 9pm on 26 April to 6am on 29 April inclusive.
- From 9pm on 3 May to 6am on 6 May inclusive.

What to expect

Closure of the A46 (both ways) throughout the works periods outlined above, except for a single carriageway (northbound only for the 26-29 April weekend; southbound only for the 3-6 May weekend). Diversions will be in place.

The A46 will be open as normal outside these times.

We may install signage on the roadside to maintain a safe working environment.

What we will do

Keep all sites safe and secure.

Inform you in advance of any changes to this work.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between London and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

About our Commonplace websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our Commonplace sites currently serve Birmingham, Bucks and Oxfordshire, Cheshire, Euston and Camden, Hertfordshire, Hillingdon, Northamptonshire, Old Oak, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
