

Notice of British Pipeline Agency, Burton Green Pipeline Diversion

Notification

High Speed Two (HS2) is the new high speed railway for Britain. Initial works on Phase One of HS2, from London to the West Midlands, have now started.

We are working with over 15 utility providers, as we build the railway, to ensure that we do not impact the supply of important services to you and your community. The upcoming work is the diversion of an existing pipeline. We are doing this diversion work to prepare for the construction of the railway which will begin in 2020.

It's important to know that there are no interruptions planned to any of your utility services as part of these works.

What work will we be doing?

From June to October 2019, British Pipeline Agency (BPA) will be diverting an existing pipeline on the land that is between Red Lane and Kenilworth Greenway in Burton Green. You can see the area of works in the map provided on page 2 of this notification.

How will these works impact me?

Most of the works will take place on the private land next to Red Lane. However, during the first phase (11th June-21st June) we will be creating the site access. During this period we will install traffic management systems to ensure that we are working safely. It will involve the following:

- 4 day (11th June to 14th June) one lane closure on Red Lane between 7:30am to 6:00pm
- On 17th June to 21st June, a section of Red Lane will be closed from 6:00 pm to 7:30 am. Diversion signs will be in place for the duration of the closure.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

June to October 2019

Weekday working hours: Monday to Friday 8am – 6 pm.

Our Contractors may be on site for one hour either side of working hours to set up and shutdown. No noise disruption is expected during these hours.

What to expect

Noise levels will be kept to the minimum in line with council's consent.

Usage of approved lorry routes and movements kept in line with levels agreed with HS2 and local council.

No impact on Kenilworth Greenway. Public right of way connecting Kenilworth Greenway and Red Lane will be kept open.

Notification

www.hs2.org.uk

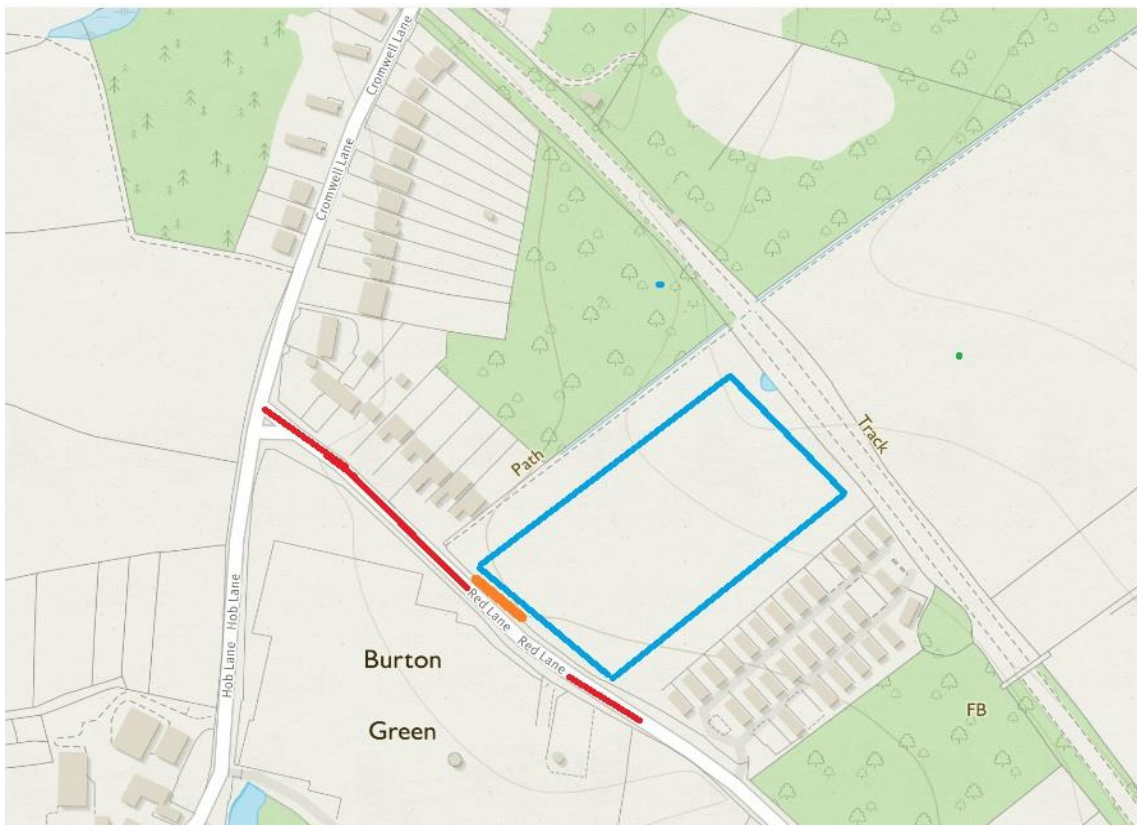

How will these works impact me?

The majority of our vehicles will be 4x4s and pick-up trucks. The only large vehicles used will be for the delivery of necessary machinery and equipment to the work site. The lorry movements will be kept in line with levels agreed with HS2 Ltd and the County Council. We aim to minimise the impact to road users as much as possible.

There will be no impact on the Kenilworth Greenway. The public right of way connecting Kenilworth Green Way and Red Lane will be kept open. The noise levels will be monitored and will be kept in line with the council's consent.

Map of the work site

You can see the area where the work site will be on the map below.

Key:

Blue line = site compound

Orange line = site access

Red line = road closure (Resident access only)

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between Birmingham and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

About our Commonplace websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our Commonplace sites currently serve Birmingham, Bucks and Oxfordshire, Cheshire, Euston and Camden, Hertfordshire, Hillingdon, Northamptonshire, Old Oak, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

To find your local Commonplace website, visit:
<https://hs2.commonplace.is/>

For further information about Phase 2a and Phase 2b, visit :
<https://www.gov.uk/government/organisations/high-speed-two-limited>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:

complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
