Notice of ground investigation works – Hob Lane

March 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain which will provide a vital transport link for the country. Initial works on Phase One of HS2, from London to the West Midlands, have now started. These early works are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

We will be in your area to carry out ground investigation works. These trial hole surveys will allow us to identify utilities located at the junction of Red Lane and Hob Lane and along a short section of Red Lane.

The surveys will be carried out from **Monday 25th March**, subject to site conditions and permits. Controlled temporary traffic restrictions using portable traffic signals will be in place on each day from 9.30am, with restrictions lifted and the road fully re-opened by 3.00pm.
