

HS2

Notice of ground investigations off Marston Lane

June 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. MLP Pipelines, who operate a fuel distribution network, we will be diverting one of their mains to allow for the construction of the new railway. To allow us to plan the movement of the mains and have a full understanding of local ground conditions, we will need to carry out surveys in the area. These surveys will take place during June 2019.

What are we doing?

MLP Pipelines will be carrying out a diversion to an existing mains, in the Curdworth area. In order to help us plan the diversion we need to carry out trial excavations to establish the exact locations of existing underground utilities.

To carry out these investigations will be using trial pits and boreholes. The work should be during the week of 24 June 2019 and last for approximately four weeks.

How will this affect you?

These works should not cause disruptions to any roads. You will see workers in the field near the Birmingham and Fazeley Canal and Marston Lane. Once the works are completed we will reinstate the areas and remove all equipment from the site.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of works

Works will begin the week of 24 June 2019, for about 4 weeks.

Our working hours will be 8am to 6pm Monday to Friday. On Saturday they will be 8am to 1pm.

We may be on site one hour, either side of these times, for set-up and close-down.

What to expect

You may see workers in the fields either side of the M42 in the area of Marston Lane.

What we will do

Inform you in advance of any changes to these works.

Keep all sites safe and secure.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between London and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

About our Commonplace websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our Commonplace sites currently serve Birmingham, Bucks and Oxfordshire, Cheshire, Euston and Camden, Hertfordshire, Hillingdon, Northamptonshire, Old Oak, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

To find your local Commonplace website, visit:
<https://hs2.commonplace.is/>

For further information about Phase 2a and Phase 2b, visit :

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:

complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
