MEETING VENUE

Palazzo Nonfinito
Via del Proconsolo 12
Florence

Palazzo Nonfinito is located in Via del Proconsolo 12. As its name implies, it is unfinished. Bernardo Buontalenti designed it in 1593 for the Strozzi family. Buontalenti built only the courtyard and the first floor but was not able to complete this large building.
At present Palazzo Nonfinito houses the Museo Nazionale di Antropologia ed Etnologia (National Museum of Mankind). Although it is not one of the most important tourist attractions in Florence, the National Museum of Mankind has a relevant collection of ancient archeological findings from all over the world, grouped according to their geographical origin.

REGISTRATION DESK AND INFO POINT

The Registration Desk and the Info Point will be available on May 24th from 08.00 AM till the end of the working session.
POSTER SESSION
A call for poster abstract will be opened on December 1st 2012 by submission on the website.

HOW TO REACH FLORENCE

- **By train**
  The hotel is located just a few steps from Florence Santa Maria Novella’s railway station

- **By Airplane**
  Florence is served by two airports with daily flights to the major European, Middle East and African countries, both of them conveniently linked to the city center:

  **Amerigo Vespucci (Peretola) Airport**: it is placed around 4 km / 3 miles in the north-west of Florence. Buses from Florence Peretola Airport “Fly by Bus” are operated by SITA and ATAF and take 20 minutes to connect the airport to Santa Maria Novella railway station. By taxi is about 15 minutes' drive.

  **Galileo Galilei Airport / Pisa International Airport**: Located in Pisa, this is the main airport in Tuscany. It can be reached in less than one hour (80km) from Florence through a punctual train and bus system and has an easy access to the motorway.
