Report on review of interim condensed financial information

To the board of directors of Automated Systems Company – KPSC Kuwait

Introduction

We have reviewed the interim condensed statement of financial position of Automated Systems Company – KPSC ("the Company") as of 30 September 2018, and the related interim condensed statements of profit or loss and other comprehensive income, changes in equity and cash flows for the nine-month period then ended. Management is responsible for the preparation and presentation of this interim condensed financial information in accordance with International Accounting Standard 34, "Interim Financial Reporting". Our responsibility is to express a conclusion on this interim condensed financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34, "Interim Financial Reporting".

Emphasis of matter

We draw attention to Note 14 to the interim condensed financial information, which discloses that the global distribution system contract for the computerised passenger reservation system, expires on 31 December 2018 and will not be renewed beyond that date. Our conclusion is not modified in respect of this matter.

Report on review of other legal and regulatory matters

Based on our review, the interim condensed financial information is in agreement with the books of the Company. We further report that, to the best of our knowledge and belief, no violations of the Companies Law No. 1 of 2016 and its executive regulations or of the Memorandum of Incorporation and Articles of Association of the Company, as amended, have occurred during the nine-month period ended 30 September 2018 that might have had a material effect on the business or financial position of the Company.
