

Al Ramz Capital renews liquidity providing service contract with Invest Bank

Dubai, June 4, 2018 - Al Ramz Capital LLC, a subsidiary of Al Ramz Corporation Investments and Developments PJSC, renews its liquidity providing service contract for Invest Bank following regulatory approvals.

A Liquidity Provider is appointed by a company in order to increase volume and improve the quality of trading in less-traded shares. The Liquidity Provider is independent of the company and trades under complete autonomy within pre-defined parameters.

As an authorized liquidity provider by Abu Dhabi Securities Exchange and Dubai Financial Market, Al Ramz is licensed to provide listed companies with liquidity providing services. Al Ramz's highly skilled professionals with extensive equity market-making experience provide listed companies with the necessary solutions to enhance the liquidity of the underlying shares, increase the frequency of transactions, reduce the bid/ask spread and decrease overall share price volatility.

"We are delighted with our continued collaboration with Invest Bank as a liquidity provider which is a testament to the increasing value of this service. As the premier liquidity providing institution in the UAE, Al Ramz places a great deal of emphasis on being in the forefront of the development of capital markets in the region. We look forward to announcing additional collaborations in the coming months." commented Mr. Mohammed Al Murtada Al Dandashi, Managing Director of Al Ramz Corporation.
