The End of the Old World Order

1530-1630
GOD spake these words, and said, I am the Lord thy God:
I. Thou shalt have none other gods but me.
II. Thou shalt not make to thyself any graven image, nor the likeness of any thing that is in heaven above, or in the earth beneath, or in the water under the earth. Thou shalt not bow down to them nor worship them, for I the Lord thy God am a jealous God, and visit the sins of the fathers upon the children, unto the third and fourth generation of them that hate me; and shew mercy unto thousands in them that love me, and keep my commandments.

III. Thou shalt not take the Name of the Lord thy God in vain: for the Lord will not hold him guiltless that taketh his Name in vain.

IV. Remember that thou keep holy the Sabbath-day. Six days shalt thou labour, and do all that thou hast to do; but the seventh day is the Sabbath of the Lord thy God. In it thou shalt do no manner of work, thou and thy son, and thy daughter, thy man-servant, and thy maidservant, thy cattle, and the stranger that is within thy gates. For in six days the Lord made heaven and earth, the sea, and all that in them is, and rested the seventh day; wherefore the Lord blessed the seventh day, and hallowed it.

V. Honour thy father and thy mother; that thy days may be long in the land which the Lord thy God giveth thee.

VI. Thou shalt do no murder.

VII. Thou shalt not commit adultery.

VIII. Thou shalt not steal.

IX. Thou shalt not bear false witness against thy neighbour.

X. Thou shalt not covet thy neighbour's house; thou shalt not covet thy neighbour's wife, nor his maid, nor his ox, nor his ass, nor any thing that is his.
The present Plate shews part of the Library, the Committee, and the other SHAFER of the bench of the Honourable Society of the MASONIC TEMPLE.
The Royal Exchange was erected in 1605 at the sole charge of Sir Thomas Gresham, Knt, and was burnt down.

The whole fabric cost above two thousand pounds and half paid by the Lord Mayor and several Lords, and several others below on every side, to have cover'd underwood, which yield considered was very little more than three quarters of an acre, and only two years after, in 1607, it was rebuilt once more, with stone, with such various Architecture, Chamber of London, and the other by the Company of Mercers. There are the shops above lot of 8 pounds a year. The ground whereon it is built being 60 feet from North to South, and 73 feet from East to West, and when all let produces some pound yearly Rent.
