Re: Gay Health Project

A Chara,

Further to our letter of 18th May 1995, I would like to confirm our request that we arrange for regular liaison meetings between this project and Cork AIDS Alliance. We believe this is important to improve communication and ensure that potential areas of overlap between our two work programmes are co-ordinated.

I would appreciate it if you could contact us at your convenience on this matter and look forward to meeting with you,

Yours sincerely,

Dominic Whyte

PS The gay health project will shortly be established seperately from Gay Information Cork with its own name. We will keep you informed on this.
