MONT BRETIA

We would like to welcome you to "Mont Bretia", our 130 year old farmhouse in the heart of West Cork. The house enjoys panoramic views of the countryside, with quiet country walks and an abundance of lakes and forestry in the immediate area. The coast at Rineen is only 4.5 miles (6Km) away to the south, with Union Hall, Glandore and Castletownsend nearby. We provide free bikes to make your stay more adventurous.

We specialise in wholefood cooking, having our own organic kitchen garden so you can relax and enjoy an evening meal. And breakfast is served until noon!

The house is warm and comfortable with an old fashioned range in the kitchen, an open turf fire and an ample supply of books and videos.

From Leap continue 5.2 miles (8Km) toward Skibbereen, where you will see a turn off to the right signposted "Drinagh 14Km" (this is 400 metrs. before a Shell garage & Tyre Centre). Go up this road until you pass Adrigole creamery (Cream building with petrol pump and calor kosangas signs) 3 miles up on the left. Take the second left turn ⅓ of a mile ahead at the fork (marked by the sign for Another B&B called "Sprucedale"). From here we are the second house entrance on the left ½ mile ahead. You can see a bungalow and trees from the entrance, and we have a signpost here.
