To many Lesbian Organisations in many countries of Europe!

datum Groningen, October 1996

onderwerp Lesbus-Tour 1997!

Dear Women,

We're very pleased to send you this letter with information about a new Lesbus-Tour during the summer of 1997. For about 7 weeks we will travel around Europe in a touringcar filled with lesbians and we can offer you a program of visual arts, music and theatre.

HISTORY

We organized a Lesbus-Tour already in 1992 and 1994. We have shown a lot of in- and outdoor performances and left a trace of visual arts in many countries of Europe. During the years inbetween the tours of '92 and '94 we continued performing the musical-theatre shows "Behind the Dykes" and the "Lesbian Love Theatre", as well as the streetperformance "Circus Lesbus". In '96 we went to Europride in Copenhagen with a comical streettheatre and the jazzy Combo Lesbus. We have been visiting many cities in ten countries, from Prague to Bristol and from Aarhus to Florence. Everywhere we met great enthousiasme. We had wonderful parties, met a lot of lesbians and still have connections all over Europe.

LESBIANS UNLIMITED

The Lesbus-tour is organized by the "Lesbians Unlimited Foundation". We are Dutch and mainly live in Groningen. Even in a Europe without borders lesbians are discriminated and not all of us can live a free lesbian life. Our purpose is to stimulate contacts between lesbians in Europe and improve the lesbian life situation. With music, theatre and visual arts we show that being a lesbian is possible, allowed and that it is even great fun!

OUR PLANS FOR 1997

For the summer of '97 we're preparing a new program which contains different parts:

Visual Arts, our artists will make an art product which will be left in your cafe or women's center. We want to extend our tradition of making a trace of lesbian art through Europe.

Outdoor Theatre, a humoristic play in the street about the funny complications in a lesbian village!

Indoor Musical-Theatre, an emphatic performance in which lesbian dreams are mixed with reality.

We have chosen to offer this program to lesbian groups in the following countries: Ireland, England, the northern parts of France, Belgium and Germany.
The Lesbus-Tour will take place from app. **17.5 - 1.7.1997.**
To realize the next Lesbus-Tour we depend on your help. It's quite a difficult job to organize performances at the right time and the right place in geographically logical sequence.
We would like to connect with the Europride in Paris, Christopher Street Days everywhere, Lesbenpfingstentreffen in Germany or with your special peculiar event.
But...it has to fit in our final travelprogram!
The more possibilities you offer us, the bigger the chance that we will be able to come.

INVITING US
If you invite us we should be very pleased with some kind of hospitallity for one or more days. We don't expect hotels and big theatre's, but in order to realize our program we do have some minimal demands:
* We need a place to perform our indoor program;
* you should take care for the publicity with the material we'll send to you;
* we need accomodation for app. 15 women (private houses, camping sites, women's centers....);
* we would be very happy if you could provide us a meal;
* we ask you a contribution between 800-1500 hfl.. This depends on your financial situation.

After your booking we'll look for an agreement for our assumptions and needs.
According to our experiences with former Lesbus-Tours we would prefer to stay more than one night in some places. It will give us more time to talk to you and make contact, to exchange experiences and to have fun and rest.
Probably we can offer you a couple of workshops about improvisation theatre, dance, discussions, art,.....

INTERESTED?
If you can hardly wait till next summer please contact us! You can fill in the reply card and return it as soon as possible, but in any case before 1.12.96.
You might also think about the following possibilities:
* You could send this letter to women who quite certainly are interested in our Tour;
* you could send us the adresses of active women/groups so we can write them ourselves;
* you might try to publish the letter in a lesbian or gay magazine.

Please, will you anyhow return the reply card?!

We're very excited to hear from you!

With lesbian greetings, for the Lesbians Unlimited,

Gineke
