

Crystal Palace F.C: Guidelines for setting up a Supporters Club

Take a look at the simple guidelines below to find out how you can set up your local Supporter Club.

What's the purpose of a Crystal Palace Supporters' Club?

The purpose of a Supporters' Club is to get behind Crystal Palace F.C, wherever in the world you are, and to offer new and current fans a welcoming and supportive location to regularly meet and watch our games.

Some Supporters' Clubs gather to watch all of Crystal Palace F.C's games live on TV, others hold regular meet ups, and some organise travel to Selhurst Park as a group. A Supporters' Club can offer the perfect home away from south London, and can play an important part in growing the Palace fanbase across the globe.

What are the requirements to become an official Supporters' Club?

- A dedicated Supporters' Club Chairperson (manager) with up-to-date contact details;
- The Supporters' Club must have a listed meeting place to watch matches together, and allow new fans to locate the club;
- The Supporters Club must have an active social media account (either a Facebook or Twitter page; and
- The Supporters' Club Chairperson must ensure the official Supporters' Club web page is kept up to date and all details are accurate.

What is considered during applications for new Supporters Clubs?

- Each new application will be reviewed in relation to the proximity of other already established Supporters Clubs. If there is already a Supporters Club in that area the applicant may be advised to join the existing club;
- Each new Supporters' Club must represent a geographical area with a significant population;
- If the Supporters' Club has too few members or is too inactive to offer a regular location for new fans to watch our matches with other fans, the application may be rejected; and
- We may review the online activity of a new Supporters' Club to ensure the values of Crystal Palace F.C are being met, alongside the outlined purpose of our Supporters Clubs
