THE FACTORY HOUSE

Located in the heart of the City, adjacent to iconic Leadenhall Market,
The Factory House is the perfect reception venue for the modern and stylish couple.

Our unique, industrial space has the flexibility to cater for different styles of celebrations. So, whether you are planning a contemporary cocktail-style occasion or a more classic wedding reception, followed by music and dancing, we have the experience and creativity to bring your vision to life.

We believe that the key to the perfect wedding celebration is careful planning, attention to detail and impeccable service. From your initial enquiry, through to the big day itself, your dedicated wedding planner will work with you to create memories of your special day that will last a lifetime.

THE VENUE

In the heart of the City, The Factory House is a striking setting for an urban wedding.

You and your guests will descend the spiral staircase to the stunning open bar and reception area. Enjoy drinks and canapés while watching our chefs in the open kitchen as they fire up the Josper grills to prepare your wedding menu.

We can accommodate up to 150 guests seated for a wedding reception or up to 200 guests for a standing, cocktail-style party.

A mezzanine at the back of the venue offers extra versatility and a useful space for anything from speeches and a dance floor, to break-out or lounge area.

We are able to re-set specific areas for your evening reception and your wedding planner will listen to your own particular needs to bring your vision to life.

THE FOOD

We offer a modern take on classic British cooking and are renowned for our Josper-grilled meats and fish.

Our chef uses carefully chosen ingredients from trusted suppliers to create imaginative dishes for each of our wedding menus. Seasonality is very important to us so we always source the freshest produce that is tasting best for the time of year.

We are happy to listen to your ideas and be flexible to cater for your tastes, from sharing roasts with a joint of your choice; to a selection of Josper-grilled fish and vegetables for couples who prefer something a little different.

While we are best known for our meat and fish, delicious light, vegetarian and vegan options are also all available.

WINE AND DRINKS

Great food demands great wine. All of our wines on our list come from Davy's Wine Merchants who have been shipping quality wines, many on an exclusive basis, to supply the best restaurants in London since 1870.

Our expert team will create the perfect selection to suit your palate and budget, from welcome drinks, to wines matched with your menu, including an impressive selection of old vintages, large formats and after dinner Sherry, Port and Madeira.

For those who prefer cocktails with their canapés, our talented bar team will work with you to create bespoke concoctions. An impressive selection of craft spirits and beers is also available.
