AVAILABLE DAILY 2:30-5:00PM

23.95 PER PERSON

The introduction of afternoon tea is generally credited to Anna, the seventh Duchess of Bedford in the 1840s. At that time, most households only had two meals a day – breakfast and dinner at around 8 o'clock. The Duchess often felt a mid-afternoon slump and her solution was to enjoy a pot of tea and some small sandwiches. Soon, all fashionable London society was doing the same and so was created a very English institution.
