WOMO Leisure Time

Summary

WOMO launches a new challenge to the community of Desall.com with the aim of researching a new collection of gifts for men dedicated to the leisure time, reminding in the style and values the very essence of the brand.

Official contest page: <http://bit.ly/WOMOLEisure>

Company Description

WOMO stands for What Original Men Own.

It is the guarantee for a welcoming space where men can be at their ease, finding all the products and services that belong to their most intimate sphere.

A place dedicated to the men who like to take care of themselves and to the women who love to take care of their men.

What we are looking for

WOMO is looking for a new **collection of gifts** for men, containing **five products** for the **leisure time** and belonging to the categories specified hereafter.

Guidelines

For the correct realisation of your proposals, keep into consideration the following guidelines:

Product typology: the aim of the contest is to collect several **gifts** in line with the following 5 categories:

1. **Fun:** objects and products related to game, leisure and fun time;
2. **Outdoor:** objects for the outdoor activities of men also in the company of a four-legged friend (trekking, camping, walking etc.);
3. **Travel:** all that comes in handy while travelling for leisure;
4. **Sunday trip:** tools or accessories for the favourite vehicle of men for an out-of-town Sunday trip, be it on a motorcycle or a bike, a car or a boat;
5. **Personal care:** all the useful accessories for men's hygiene and personal care, that may be stylish and functional at the same time.

In order to take part in the contest you are required to submit **5 products belonging to the categories detailed above.**

You can decide whether to submit:

- **1 product for every category, for a total of 5 products**
- or
- **5 products belonging to one single category.**

WOMO

For example, you can either submit 5 products for the Outdoor category only, or you can submit 1 product for the Fun category, 1 product for the Outdoor category, 1 Travel accessory, 1 tool or accessory for a Sunday trip and 1 product for Personal care.

It is however of the **greatest importance** that all products you submit are **aesthetically coherent**, so that **every upload** may constitute a **true collection** by itself. For a product example or for an inspiration about the contest themes, you can refer to the *Moodboard* attached in the *Material files*. You are nevertheless required to always comply with the WOMO brand style.

Materials: your products shall be realised with **resistant, quality and genuine** materials. For an example of materials please refer to the products featured in the *Moodboard* attached in the *Material files*. At your discretion, you can decide to employ other materials, as long as they are in line with the researched values and comply with the applicable laws and with the common sense.

Style: the products you propose shall be coherent with the brand and be positioned as **premium products, not luxury products**. They shall have an **exquisitely craftsman flavour**, that is give particular attention to the materials and to the details, so to be recognised as products with a **strong personality**, as well as being **fine and functional products**. You can also suggest **finishes and surface workings** to highlight the quality of the materials and the researched style.

Logo: the **WOMO logo shall be present** on your projects, without being too invasive. In view of this, you can also decide to use the **monogram**. For the logo, please refer to the *Material files* attached.

Target: your projects shall be designed for a target made of **men aged 35-50 years**, with a particular attention to self-care and researching in their products not just a **functional** purpose but a satisfactory end to their own **aesthetic sensitivity**, through highly impressive and valuable products.

End price: the products you propose shall be priced for the end customer **between Euro 50 and Euro 500** on average and **be realised at a low production cost even for small-scale production**. The selling price may differ from the suggested range, as long as it is justified and in line with the contest objectives.

Deliverables: in order to take part in the contest you are required to submit **5 products belonging to one single category or 1 product for each category**. For a better presentation of your projects and to get a higher score in the final evaluation by the Sponsor, you are invited to **suggest a potential supplier or producer** that may realise the products you suggest.

Upload all the images that better present your projects (rendering, descriptions, CAD files, etc.) and, if necessary, remember that you can also attach a .zip archive containing extra materials. Don't forget about the abstract and description to give further info about your projects. You can submit as many entries as you like!
