UNAUDITED ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention, and in accordance with applicable UK accounting standards.

GOING CONCERN

The financial statements have been prepared under the going concern basis despite the deficiency of funds shown on the balance sheet. The directors believe that the going concern basis is appropriate because the shareholders provide ongoing working capital for the development of nursing homes which are supplied to entities under their ownership.

CASH FLOW STATEMENT

The directors have taken advantage of the exemption in Financial Reporting Standard No 1 (Revised 1996) from including a cash flow statement in the financial statements on the grounds that the company is small.

TURNOVER

Turnover is recognised at the fair value of the consideration received or receivable, dependent upon the stage of completion of developments, for sale of goods and services in the ordinary nature of the business. Turnover is shown net of Value Added Tax, of goods and services provided to customers.

FIXED ASSETS

All fixed assets are initially recorded at cost.

DEPRECIATION

Depreciation is calculated so as to write off the cost of a tangible fixed asset, less its estimated residual value, over the useful economic life of that asset as follows:

Fixtures & Fittings - 15% reducing balance

WORK IN PROGRESS

Work in progress is valued on the basis of direct costs plus attributable overheads based on normal level of activity. Provision is made for any foreseeable losses where appropriate. No element of profit is included in the valuation of work in progress.
