1 Company details

Company number **03673101**

Company name in full **AARK INVESTMENTS LTD**

→ Filing in this form
 Please complete in typescript or in bold black capitals.
 All fields are mandatory unless specified or indicated by *

2 The application

Warning to all applicants
 It is an offence to knowingly or recklessly provide false or misleading information on this application.

You are advised to read section 4 and to consult the guidance available from Companies House before completing this form. If in doubt, seek professional advice.

I/We as director(s)/the majority of directors apply for this company to be struck off the Register and declare that none of the circumstances described in section 1004 or 1005 of the Companies Act 2006 (being circumstances in which the directors would otherwise be prohibited under those sections from making an application) exists in relation to the company.

This form must be signed by the sole director if only 1, by both if there are 2, or by the majority if there are more than 2.

Please read the guidance on our website www.companieshouse.gov.uk or section 1003 or 1004 of the Companies Act 2006 for circumstances under which an application may not be made.

Please note that on dissolution all property and rights etc will be passed to the Crown.

Further Guidance
 Guidance on striking off is available from our website at www.companieshouse.gov.uk

3 Signature(s) of the director(s)

Name **ANTHONY JAMES BUTLER**

What to do next

Notify all parties.

Please ensure that you send copies of this application to all notifiable parties e.g. creditors, employees, shareholders, pension managers or trustees and other directors of the company within 7 days from the day on which the application is made.

Please also send copies to anyone who later becomes a notifiable party within 7 days of this taking place. This applies from the day of application and before the day on which the application is finally dealt with or withdrawn. Please check the guidance which contain a full list of those who must be notified. Failure to notify interested parties is an offence. It is advisable to obtain and retain some proof of delivery or posting of copies to notifiable parties.

Withdrawal of striking off application by a company

If the company ceases to be eligible for striking off at any time after the application is made, and before the application is finally dealt with, as specified in section 1009 of the Companies Act 2006, then the application must be withdrawn using form DS02 'Withdrawal of striking off application by a company' available from our website www.companieshouse.gov.uk

5

Warning to all interested parties

This is an important notice and should not be ignored. The company named has applied to the Registrar to be struck off the Register and dissolved. Please note that on dissolution any remaining assets will be passed to the Crown. The Registrar will strike the company off the register unless there is reasonable cause not to do so. Guidance is available on grounds for objection. If in doubt, seek professional advice.

Further guidance

Guidance on all aspects of striking off is available from our website at www.companieshouse.gov.uk

1. The first part of the document discusses the importance of maintaining accurate records of all transactions.

2. It also emphasizes the need for regular audits to ensure the integrity of the financial data.

3. Furthermore, the document highlights the role of transparency in building trust with stakeholders.

4. In addition, it notes that clear communication is essential for the successful implementation of any financial strategy.

5. Finally, the document concludes by stating that a strong financial foundation is crucial for long-term organizational success.

6. The following sections provide a detailed overview of the various financial metrics and indicators used to assess performance.

7. These metrics include revenue growth, profit margins, and return on investment, among others.

8. The document also discusses the challenges associated with data collection and analysis, and offers practical solutions.

9. Overall, the document serves as a comprehensive guide for anyone looking to optimize their financial operations.

10. The second part of the document focuses on the importance of risk management in financial planning.

11. It identifies the various types of risks that organizations face, such as market volatility and credit default.

12. The document also discusses the role of insurance and other risk mitigation strategies in protecting assets.

13. Furthermore, it highlights the need for a proactive approach to risk management, rather than a reactive one.

14. In addition, the document notes that risk management is an ongoing process that requires regular review and adjustment.

15. The following sections provide a detailed overview of the various risk assessment tools and techniques used in the industry.

16. These tools include risk matrices, scenario analysis, and stress testing, among others.

17. The document also discusses the challenges associated with risk assessment, and offers practical solutions.

18. Overall, the document serves as a comprehensive guide for anyone looking to improve their risk management practices.

19. The third part of the document discusses the importance of financial forecasting in strategic planning.

20. It identifies the various factors that can impact financial performance, such as economic conditions and industry trends.

21. The document also discusses the role of financial forecasting in identifying opportunities and threats.

22. Furthermore, it highlights the need for a flexible and adaptive forecasting process, rather than a rigid one.

23. In addition, the document notes that financial forecasting is a key component of any successful business strategy.

24. The following sections provide a detailed overview of the various financial forecasting models and techniques used in the industry.

25. These models include regression analysis, time series analysis, and Monte Carlo simulation, among others.

26. The document also discusses the challenges associated with financial forecasting, and offers practical solutions.

27. Overall, the document serves as a comprehensive guide for anyone looking to improve their financial forecasting capabilities.

28. The fourth part of the document discusses the importance of financial reporting in stakeholder communication.

29. It identifies the various stakeholders that are impacted by financial performance, such as investors and creditors.

30. The document also discusses the role of financial reporting in building trust and transparency.

31. Furthermore, it highlights the need for clear and concise financial reporting, rather than complex and convoluted one.

32. In addition, the document notes that financial reporting is a key component of any successful business strategy.

33. The following sections provide a detailed overview of the various financial reporting standards and practices used in the industry.

34. These standards include GAAP, IFRS, and the SEC's disclosure requirements, among others.

35. The document also discusses the challenges associated with financial reporting, and offers practical solutions.

36. Overall, the document serves as a comprehensive guide for anyone looking to improve their financial reporting practices.

37. The fifth part of the document discusses the importance of financial innovation in driving growth and efficiency.

38. It identifies the various financial technologies that are being developed, such as blockchain and artificial intelligence.

39. The document also discusses the role of financial innovation in creating new business models and services.
