

Partnerships

Introduction to our Partner Program

Partner Benefits

Discounts

As partner you'll have access to discounts for new (%40) and renewed (%5) licenses.

Trainings

You and your colleagues can access our enterprise trainings at no cost.

Sales Support

We can remotely help you at your sales meetings with product demos and insights.

Publicity

Over 35 thousand people visits eramba every year - a partner portal will show your company logo and website.

Demo Sites

At a discounted fee (EUR 500 / Year) - you'll have your own eramba instance in the cloud so you can always demo and test eramba.

Tech Support

We'll support you with our standard enterprise technical support.

Partner Business Case

Sign Up! - Requirements

- To become a partner, you need to purchase a license at our partner discounted rate. Send us the company details we need to use in order to send you an invoice.
- If you want to use our cloud service, there is a 500 EUR fee / Year on top of the license fee.
- We need your company name, country (one), brief description (10 words) - we will update your details on our partner website.
- Although no sales targets are imposed, we'll require evidence of your partner commitment. Please share your immediate sales plan (brief description is enough).
- Review and complete our [partnership agreement](#)
- Contact support@eramba.org with all the above details.
