## Hall 4 Stand J88

Spring Fair 2026, NEC Birmingham

Welcome to the 2026 Draw brochure. Our sales team is always on hand to create a selection of gifts or stationery on a table, wall, floor or shelf displays, using our bespoke stands to maximise sales. The 2026 range is our biggest yet, with 100s of new designs. Given the right display and visibility, Draw can guarantee excellent sales and profits, whilst at the same time providing something fresh, different and exciting for your customers.

Over the past 20 years, Draw has continued to create images by hand, using many different styles of illustration and appealing to a wide audience. Draw continues to develop designs on a daily basis, using in-house artists, including Lorna Cook, George Ashton-Jones, Hannah Walton and Anna Pugh. With design, Draw puts the consumer first, meaning something relevant is on your shelves and the reason our ranges are amongst the bestsellers in the world today.

Please call or contact us today! Draw has loved working with customers for over 20 years (thank you to those who've been with Draw since day 1, your businesses still inspire us!) and we're always available to help out anytime. Best wishes for the year ahead, we look forward to catching up.
