

RUSSIA DUAL RETURN FUND

LONG ONLY USD DENOMINATED

RUSSIAN & GLOBAL EQUITIES

November 2016

Fund Description

Russia Dual Return Ltd is an investment fund registered in the British Virgin Islands. It is a Professional Fund as defined by the Securities and Investment Business Act, 2010 (SIBA).

The investment objective is to achieve capital appreciation in US dollar terms by investing primarily in US dollar-denominated equities of Russian companies (both locally traded and in the form of depositary receipts) and to a lesser extent in companies of CIS countries. The Fund aims to outperform the benchmark index (the RTS Index) in the long term.

The Fund uses a "long only" actively managed strategy, deriving returns from growth and value investing as well as arbitrage and short-term speculative strategies.

Manager Commentary

US markets have regained their appetite for risk since the Trump election victory and we have made some new purchases where there are clear opportunities, although high prices across the board mean that opportunities are limited.

Extraordinarily high market valuations make us cautious and we are keeping a sizeable part of the portfolio in cash.

We strengthened our position in GDRs of Gazprom, and bought shares of Walt Disney Co. and Coca Cola Co.

Industry Breakdown
