Lava™ Classic

Restoration of Choice for Natural Aesthetics

DTS

dts-international.com

Your smile matters

Benefits of Lava Ultimate:

- **Natural Aesthetics** - Brilliant and long lasting aesthetics with high life like translucency - leaving a natural and realistic appearance
- **Accuracy** - CAD/CAM milled producing a far superior fit than can be achieved by technicians using traditional methods
- **Strength** - Shock absorbency cushions against chewing forces reducing stress to the restoration

DTS Says:

"Created digitally this Zirconia material is a great choice for natural aesthetics"

Looking After Your Smile

- Brush twice a day
- Floss regularly
- Visit your Dentist every six months
