Core Zirconia™

The Metal Free Alternative

DTS

dts-international.com

Your smile matters

Benefits of Core Zirconia:

- **Translucency** - Contains no metal and high in translucency creating a more natural appearance with no grey shadows
- **Accuracy** - Manufactured with the latest techniques to give you a far superior fit
- **Strength** - A strong restoration and long term durability giving you stronger teeth for years to come

DTS Says:

"Zirconia coping with porcelain overlay makes this a great choice for crown or bridge cases with high aesthetics"

Looking After **Your Smile**

- Brush twice a day
- Floss regularly
- Visit your Dentist every six months
