Your smile matters

Opalite™

Strength Like No Other

DTS

dts-international.com

Your smile matters

Benefits of Opalite:

- **High Strength** - One of the strongest restorations available today
- **Accuracy** - Designed and manufactured with the latest techniques creating a highly accurate and consistent restoration
- **Biocompatible** - Metal free restoration, works harmoniously with your natural mouth, created to fit each individual perfectly

DTS Says:

"These are great for posterior crown & bridge work - much more natural looking than metal crowns"

Looking After Your Smile

- Brush twice a day
- Floss regularly
- Visit your Dentist every six months
