Your smile matters

Benefits of VITA ENAMIC:

- **Natural Aesthetics** - This tooth coloured material comes in various shades blending in with your teeth, creating a natural result
- **Accuracy** - Digitally produced, offering a beautiful natural result & perfect fit
- **Strength** - The strength obtained after bonding with the natural tooth surface & the unique integrated crack-stop function ensures a strong & long lasting restoration

DTS Says:

"Unique ceramic strengthened by a polymer network is great for both anterior & posterior crowns"

Looking After **Your Smile**

- Brush twice a day
- Floss regularly
- Visit your Dentist every six months
