

Mouthguards

Protect Your Winning Smile

Mouthguards are custom-made and professionally-fitted to ensure a high level of comfort and protection.

They consist of multiple layers of laminate to add strength and durability.

Advantages:

- Protection of the lips, teeth and jaw from most collision-induced injury
- Minimal interference to speaking and breathing even under demanding conditions
- Multi-layered laminate for extra protection
- Custom fit offers good retention and comfort

Mouthguards

Sizes Available

A range of mouthguard types are available to suit the required level of protection.

	TYPE OF PROTECTIONS	RECOMMENDED FOR	NAME/NO CUSTOM-PRINTED	UP TO TWO INDIVIDUAL COLOURS
LIGHT	Double-laminated for good all-round coverage	Juniors	✓	✓
MEDIUM	Double-laminated for good all-round coverage	Majority of team sports, junior to senior	✓	✓
HEAVY	Triple-laminated layers over 70% of the mouthguard	High-impact contact sports, A-grade level	✓	✓

Colour Combinations and Logos

DTS Mouthguards offer a comprehensive range of team colour combinations using a wide range of colours of materials which have been approved by the Therapeutic Goods Administration as being safe for use in the mouth. We can even print your team or sponsor logo on your mouthguard!

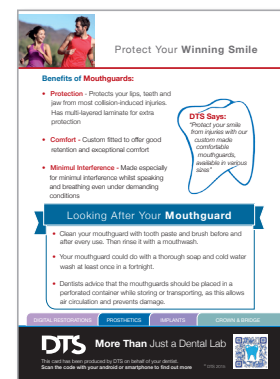

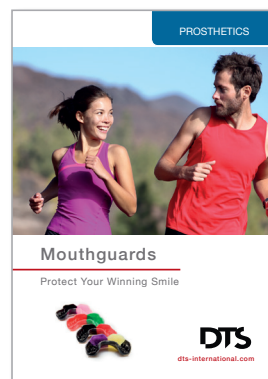

All mouthguards are printed with the wearer's name and contact number.

Help your patients understand your recommended restoration with our patient friendly cards.
