The Route

How to use this booklet

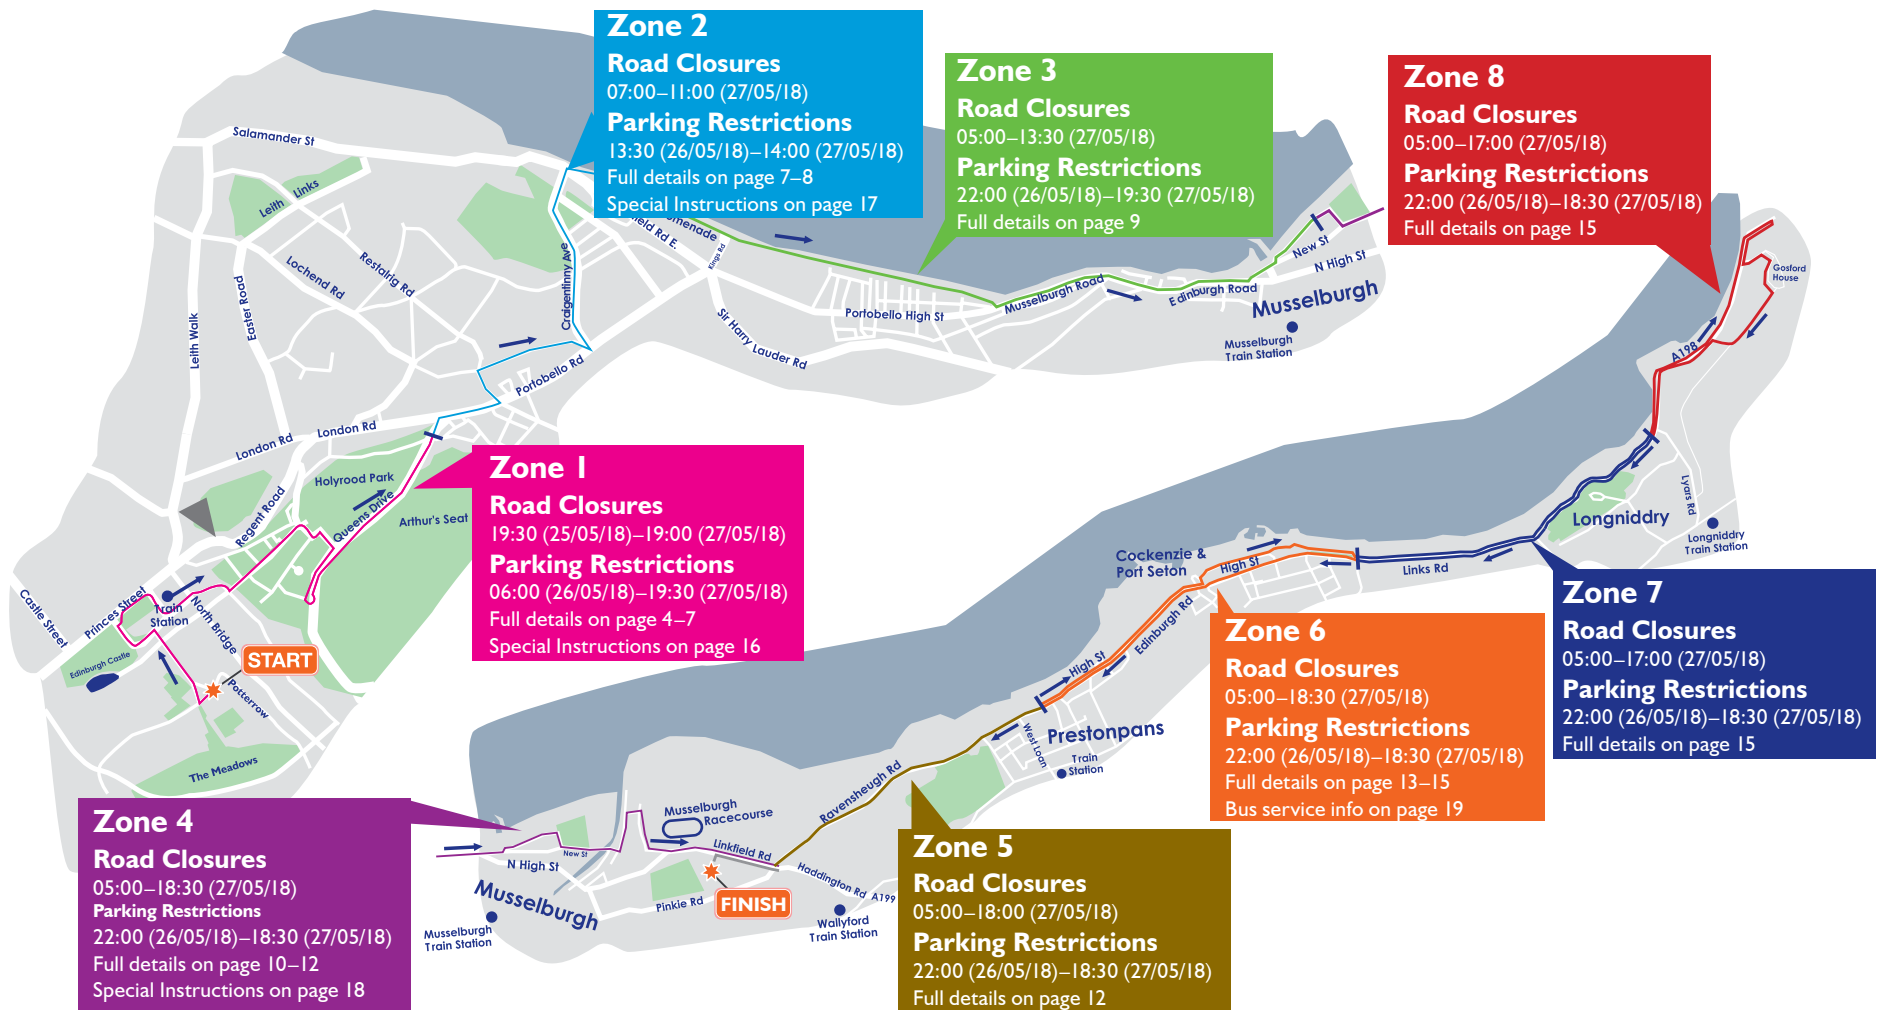

Please note that a small number of road closures in Zone 1 will begin on Friday 25th May. The areas affected by road closures and parking restrictions have been divided into 8 zones.

Please look at the map below and select which zone you live in. The information box relating to that zone will give you a summary of:

- The earliest time for any road closure and parking restriction in that zone.
- The latest time for any road closure and parking restriction in that zone.
- Which page to find full details about road closures and parking restrictions in your zone.

If you live near a zone boundary, please check both zones that affect you. Road Closures means that you will not be able to access and drive on the road stated.

Parking Restrictions means that you will not be able to park on the road stated. It does not necessarily mean that the road will be closed.
