The Route

How to use this booklet

Please note that a small number of road closures in Zone 1 will begin on Friday 24th May. The areas affected by road closures and parking restrictions have been divided into 8 zones.

Please look at the map below and select which zone you live in. The information box relating to that zone will give you a summary of:

- The earliest time for any road closure and parking restriction in that zone.
- The latest time for any road closure and parking restriction in that zone.
- Which page to find full details about road closures and parking restrictions in your zone.

If you live near a zone boundary, please check both zones that affect you. Road Closures means that you will not be able to access and drive on the road stated.

Parking Restrictions means that you will not be able to park on the road stated. It does not necessarily mean that the road will be closed.

We are unable to allow vehicular traffic on Linkfield Road during the race due to public safety concerns. If you wish to use your vehicle between 08:00 and 19:30 then please park on Ashgrove and exit via Pinkie Road. You should expect a higher than normal volume of traffic on Pinkie Road so please add extra time to your journey. Please display your Resident Vehicle Pass clearly in your vehicle to park and gain access to Ashgrove throughout the closure period.
